Transportation

Our freight specialists ensure that all materials are transported to the event site in the most efficient and sustainable way.

Customs clearance

Our customs team ensures all paperwork is complete and correct before the despatch of goods and liaises with customs to prevent delays.

On-site management

Seamless event support from start to finish - we handle deliveries, specialist unloading and reloading, stand delivery and empty case storage, so everything runs flawlessly.

Storage solutions

Pre and post event, we provide long-term and short-term storage solutions to work around your annual portfolio of events.

Secure bonded warehouse

Our facility allows you to store your goods securely, with the added benefit of not having to pay import duties and VAT at the point of importation.

Your all-in-one Event Logistics Platform

Simplify your event logistics with MYLO, a market-leading platform built for organisers, exhibitors and event suppliers. From instant quoting and seamless bookings to real-time shipment tracking, invoicing and clear spend analysis – MYLO brings everything together in one intuitive hub.
